HUNTER
Engineering Company

Expand your shop's capabilities with Heavy-Duty Mobile Fleet Service

Beat Competition

- ✓ Unmatched convenience for your customers
- ✓ Provide service during non-traditional hours
- ✓ Decrease your customers' cost and drive your bottom line
- ✓ Help customers be proactive about fleet maintenance

Mobility

- ✓ Bring fleet inspection to your customer
- ✓ Inspect and service an entire fleet in a single stop
- ✓ Offer your customers services on-demand

18-ft. Mobile Alignment and Wheel Service Box Truck*

Includes:

- WinAlign® HD Alignment System
- ForceMatch® HD Balancer
- TCX625HD Tire Changer
- Required Tools
- Appropriate Inventory

*Image shown is one of many possible mobile configurations.

Increase Revenue

- ✓ Expand your company's footprint to your customer's location
- ✓ Increase the number of customers you can service
- ✓ Secure market share early — be one of the first to offer mobile service

Decrease Costs

- ✓ Substantially lower start-up and operating costs compared to brick and mortar
- ✓ Provide full shop service with as little as one employee
- ✓ Eliminate downtime waiting for customers to come to you
